

Southampton & Romsey CTC

Southampton and Romsey CTC is the local CTC group for the area covering Southampton, Romsey, Eastleigh, Chandlers Ford and Waterside, and we regularly welcome riders from outside this area. We offer a range of cycle rides and also organise special events throughout the year. We also campaign locally for better cycle facilities.

About our rides

Our rides range from short, easy rides suitable for novice cyclists to more challenging rides that are longer and faster.

We run regular Saturday and Sunday rides, weekday evening rides in the summer and Wednesday social night in the clubroom.

Some of our rides are combined with Winchester CTC. Most rides are on-road but we occasionally venture off-road, especially in the drier summer months.

Saturday rides mostly start from Romsey and are known locally as the 'Hares and Tortoises cycle group'. On the 1st Saturday of each month we have an all-day ride which usually starts at 10am. On the 3rd Saturday we have a "Tea ride" which starts at 1.30pm from November to March and 2pm from April to October. The pace is a gentle 8-10mph and no-one gets left behind!

Sunday rides have four different start points: Redbridge, Romsey, Chilworth and West End, with a 9am or earlier start time. We stop for mid-morning coffee and then lunch in a country pub. With a mid-afternoon tea stop we aim to return home for 4-5pm. There is a half-day option for those who prefer to be back home for lunch. We usually cover 50-70 miles at a modest pace of around 12 mph and again no-one gets left behind!

Joining a CTC ride

You do not have to be a member of CTC to come on the rides. Feel free to come on three or four rides and see if it works for you. After that we encourage you to join as the benefits of membership, particularly the insurance and discounts, are well worth the subscription.
