Grand National Park2Park 200km Audax and
Between the Parks 100km Audax

Sunday 12 May 2019

From Woodley Village Hall, Romsey SO51 7NY

This is the fourth year of these popular events, organised by Southampton CTC under Audax UK rules, visiting some of the finest scenery the south of England has to offer. Pre-entry is required.

Food is important! Free refreshments at start, finish and *en route*. (Donations welcome to help us keep the costs of future events down.)

Starting at 0800, the 200 km follows a moderately hilly route on quiet lanes linking Britain's two newest National Parks, the South Downs and New Forest, as well as exploring some of the equally beautiful countryside in the lovely Test and Itchen valleys. Controls at East Meon, Whitchurch and Downton, plus 5 information controls. Enter on-line at:

The more leisurely 100 km leaves Woodley at 0900. It is a lovely ride on quiet lanes exploring Hampshire's beautiful Test Valley between the South Downs and New Forest National Parks. There are a couple of short climbs to add interest but nothing too serious. The main control is at Hurstbourne Tarrant, in the North Wessex Downs Area of Outstanding Natural Beauty, plus 4 information controls. Enter on-line at:

The weather in the south of England is often at its best in mid-May and the roads are still quiet, so why not plan to join us on one of these two attractive events. We will be pleased to see you. But do enter early as we have been over-subscribed for the last two years.
